

Equipment and Capabilities List

For over 30 years, Ultimate Image Printing has remained on the leading edge of printing technology. With the latest advances in digital printing, Ultimate Image and or clients have seen the increase in quality, speed, and value. Our equipment is constantly growing, so check back if a special need arises. We may just have the perfect solution!

OFFSET PRESSES

- 4 - Single Color Presses - AB Dick: 17 x 25.5 max. sheet size
- 4 - Ryobi 3302 2-Color Presses-AB Dick: 17 x 25.5 max. sheet size
- 2 - Xerox 4-Color DI Presses - 12 x 18 max. sheet size
- 1 - Ryobi 3304 4-Color Direct-to-plate Press - 12 x 18 max. sheet size, envelope feeder
- 1 - Heidelberg 640 6-Color - 40 x 28 inch press with in-line coater
- 1 - Heidelberg 6 color - 22 x 28 inch press with in-line coater

DIGITAL PRESSES

- 1 - Xerox iGen4 Printer - capable of large format digital printing on 16 pt. with offset quality prints. Variable data capable. 14"x26" max sheet size
- 1 - Xerox iGen3 Printer - capable of large format digital printing on 16 pt. with offset quality prints. Variable data capable. 14"x20" max sheet size
- 1 - Xerox 1300 - continuous roll fed printer. 40 million page/month capacity
- 3 - Xerox Nuvera - B/W digital press

LARGE FORMAT

- 2 - Vutek LX3 Pro - 126" UV Flatbed/roll-to-roll press
- 1 - Vutek GS3250LxPro - 126" UV flatbed/roll-to-roll press
- 1 - Vutek GS5500LxPro Ultradrop - 196" UV roll-to-roll press
- 1 - Epson F7200 Dye Sublimation Printer
- 1 - Canon ipf9400 - 60" Aqueous Printer
- 2 - Pro Seal 62 MD - 62" Laminator and Mounter
- 2 - Pro Seal 62 Pro - 62" Laminator and Mounter
- 2 - Graphtec 64" Vinyl Cutter
- 1 - Multicam Digital Express CNC Router - 80"x120" bed size
- 1 - Multicam Digital Express CNC Router - 60"x120" bed size
- 1 - Telios Die Sublimation - 126" Die Sublimation Printer
- 1 - GeoKnight Dye Sublimation Heat Press - 96"x48" Platen Size
- Various Welding, Grommeting, Sewing and finishing equipment

MAILING SERVICES

- Inkjetting: 1 - MCS Array-capable of printing on varnished, aqueous, and gloss stock
 - 1 - Rena Envelope Imager 2XP
- Tabbing: 1 - Kirk-Rudy 530
 - 1 - Ameritech
- Inserting: 1 - Phillipsburg - 6 Station swing-arm setup
 - 1 - Phillipsburg - 4 Station swing-arm setup
- Folding: 1 - MBM 530 - air-fed, capable of coated stock

GRAPHICS DEPARTMENT

Full line of Mac and PC platforms with the most up-to-date graphics software

BINDERY

Cutters, collators, booklet makers, laminators, mounter, folders, book binders, perfect binding, die cutter, letterpress, numbering and scoring devices, shrinkwrapping and more.

WAREHOUSE & FULFILLMENT

- Over 80,000 total square feet
- 3 - Assembly Belt Lines
- Automated Optical Barcoding
- Online Tracking of all shipments
- Delivery Vehicle & Trucks
- National Installation Services
